FOREWORD . . .

We the Seniors of Nineteen Hundred and Fifty-one present the year's achievements in story and picture wrapped up in one book—the **Spencerian.**

Football has been chosen as the theme for this "book of records" because this year for the first time it has become an established sport in our school athletic program.

There is no better place than this to recognize the debt of gratitude we owe the three organizations which have made it possible for us to publish this thirteenth edition of the Spencer yearbook.

To the Spencer Club, who, refusing to accept the possibility of defeat, developed those brilliant "offense and blocking tactics" necessary for victory; to the Board of Education, whose members stood firm in the "line"; to the P. T. A., who played the "safety zone" position and could be counted on when they were most needed; to all community "ball carriers"; in fact, to each individual who contributed in any way to the success of the remonstrance petition which "blocked the punt" and brought victory—our heartfelt appreciation.

It is our fervent hope that Spencer School may continue to grow in service to the community and in influence upon the lives of young people, though the shadow of consolidation has been cast again upon our school as the yearbook goes to press.

DEDICATION . . .

To A Grand History Teacher . . .

During the three years that you have been with us, Mr. Parmigian, we have learned much through your careful guidance and sincere and forthright endeavor. For this, and countless other reasons, we dedicate this year's edition of the **Spencerian** to you.

With deepest appreciation,
The Senior Class

SPENCERIAN . . .

Standing—Neal Crawford, Harry Percival, Mrs. Paine, Miss Cross, John Clarkson, Adolph Tersigni, Fred Inman, Bob Kozub, Howard Wolcott, Mr. Ingham, Lee Clutter, David Brumagin, Roger Cook, Mr. Brainard.

The 1951 **Spencerian** is here, and it is our sincere belief that we have succeeded in making this annual comparable to those of previous years. Had it not been for Mrs. Paine's "ready-to-help" attitude, the assistance of Mr. Brainard, Miss Cross, Mr. Ingham, Mr. Street, Mr. Hunter, our advertisers, and many others whom we have not space to mention, we could not have published so complete a record.

Our warmest appreciation to all!

IN MEMORIAM . . .

In memory of David Eldridge, who died December 25, 1950, we dedicate this page.

A member of Mrs. Persinger's second grade and an active Cub Scout, David was Hallowe'ening last October 31 with his sisters and friends when he was struck by an automobile and suffered injuries which later proved fatal. But we will always remember the unforgetable smile and winning ways that made everyone who knew Davy love him.

BOARD OF EDUCATION . . .

Clyde A. Ingham, superintendent; Howard Wolcott, vice president; Martha Chapman, clerk; Stephen Weintz; E. J. Hanneman, president; G. W. Berry; O. D. Phelps.

Too little known to most of us is our Board of Education and the big job it handles successfully year after year.

Its main responsibility is, of course, to hire the faculty, the janitors, and the bus drivers. But there is a great deal more to be done than that, and this year, if such a thing is possible, they have surpassed previous achievements with such accomplishments as:

Purchasing a new power lawn mower, snow plow, and cutter bar; redecorating the building by painting three corridors, seven class rooms, and corridor floors; purchasing new shades for the lunchroom and study hall; laying an asphalt tile floor in the clinic room; re-finishing tops of desks; installing a new hot water heater for rest rooms, kitchen, showers, and a special heater for the dishwasher; laying a new sidewalk at the west entrance, purchasing a new movie projector; building a new concrete shed at the back of the building; installing two new drinking fountains, a new two-way public address system, and new outdoor lights at the corners of the building; approving a resolution for the $92,000 bond levy; purchasing a new desk and chair for the superintendent and ordering a new desk for the secretary; purchasing new light fixtures for the office, new textbooks, and a new typewriter; raising the salaries of teachers and school employees; and purchasing a liability insurance policy on the student body.

The board authorized the sale of bonds for the new addition November 14, and they were sold December 11, 1950. Architects' plans were complete in time for the first advertisement for bids to be run February 20, 1951. The bids opened at noon March 22 and that same evening the Board of Education met to consider them.

Our deepest thanks and warmest gratitude go to these board members who have done their job so efficiently and well.

SUPERINTENDENT . . .

CLYDE A. INGHAM

We seniors wish to thank you, Mr. Ingham, for your interest and understanding and thoughtfulness, and for all the help you have given us.

As we leave Spencer, we shall never forget you and the inspiration of the pattern for living which you daily exemplify.

SCHOOL SECRETARY . . .

ANNE CROSS

To you, Anne, we want to express our warmest thanks, not just for the capable way in which you perform your duties, but most of all because you are always ready and willing to do those countless other things that are not required but need so much to be done—to give comfort and reassurance as well as ideas.

SENIORS . . .

ROBERT KOZUB "Bob"

"What's that mean?"

Untamed blond hair, teasing blue eyes, height, wholehearted participation in sports, a sincere and earnest desire for education plus the determination to get it, these are characteristic of Bob Kozub, for whom cars upset in ditches but roller skates and ice skates behave. He has gained co-ordination and confidence through effort, and we feel that in whatever field of life Bob's future may lie he will leave a lasting impression and a worthwhile contribution.

ROBERT BERRY "Put-Put"

"That's a little gem!"

Acting—he's a "natural" for the "Henry Aldrich" type of comedy—and witticisms have made Bob Berry the "card" of the class from "way back when." But this mischievous happy-go-lucky fellow can be serious, too, as shown by his fondness for and skill in trapping, or his good-natured patience in "pinch-hitting" as "Mom and Dad" for his little sisters when his parents are away.

BEVERLY LYON "Bev"

"Gosh"

Shy and dainty though she is, Beverly carries an "overload" of secretarial jobs with promptness and efficiency quite out of proportion to her size. Of course, her main interest is Dave, but there's home economics too, and what with management of a household, past, present, or future, she needs all she can learn. She's a real trouper, too, whether she's on the stage or facing the daily round with cheerfulness and good humor.

ADOLPH TERSIGNI "Dolf"

"I didn't study my P. O. D."

Team spirit and command of basketball strategy—name these and you have Adolph, who has won the admiration of teammates, opponents, and officials for his clean-cut, square-shooting performance on the basketball floor. But we'll remember him for his good-natured helpfulness, his paternal attitude toward little boys, the way he supports the modern adage that "Gentlemen Prefer Blondes," and his desire for a new car that won't burn oil like a diesel.

SENIORS . . .

FRED INMAN "Ichabod"

"Where are we going?"

Quiet and easy-going, that's Fred usually, but at the most unexpected times he comes out with some dry piece of satirical wit. He is noted for his loyalty to his "Flying Rainbow"; his fondness for T.V., landscaping, track, and Mary; his self-contained, ingenious attitude; his aloofness both of stature and mind; and his "devilishness."

LORETTA BRAZIS "Lorette"

"I'm late!"

With lovely brown eyes and bright smile, volatile Loretta has shared with many her enjoyment of music, art, and poetry through long hard hours of work on special programs and bulletin boards. We'll remember too her quiet sincerity in the Voice of Democracy Contest, her riotous scenes as "Mrs. Winkle," the hazards of learning to drive, and her loyal affection and care for her little sister.

HARRY PERCIVAL "Percy"

"Doll Baby"

We shall never forget that April day when a careless driver changed the course of Harry's life. But not all the long hours in a hospital or the pain or inconvenience could defeat the kind of stamina Harry has, or quench his ringing baritone—or his fondness for motorcycles, football, roller skating, and jitterbugging, or prevent his stout-hearted support of school sports and activities. The cooks will remember too his daily lunch-line reminder, "I'm pretty hungry today"—and the empty plate returned so soon for more.

ALBERT LEE CLUTTER "Abbie Lee"

"Out of gas!"

Everything happens to Lee! Perhaps because this man-about-town (at least he's never home!) is noted for his good-natured willingness to oblige and his spur-of-the-moment yielding to temptation (He has been known to heed the "Call of the wild Goose" to his sorrow). Yes, he has a very real "itch" to travel, though neither his troublesome scooter nor his temperamental car—if you can call something a "car" which tries to turn in every time it passes Sammy's junk yard—will cooperate. He's not afraid of work either, judging from the muscle-building job he handles at Kroger's or the way he helps out around school.

SENIORS . . .

NORMA JEAN PHELPS "Dorn"

"Get that, kid?"

Blonde hair, blue eyes, a fair complexion that can blush at the slightest provocation, and dimples—that's Norma, known for her cheerful, poised manner and willing acceptance of responsibility, whether it's cheerleading, night sessions with *Hi-Lites* or *Spencerian*, or presidency of the Student Council. She confesses to a fondness for housekeeping (She'll need it!) and teasing (Mr. Parmigian especially), but bookkeeping—well!

WILLIAM KOTHE "Bill"

"Dogs beware!"

Scooters and dogs don't mix for Bill, but it seems dogs must learn the hard way. As for Bill, even here his ability to get into and out of tight corners continues to serve him, and we go right on being happier because of the courage and sunny disposition (How can we forget that bubbling, quick chuckle?) of the lad who is always a friend.

MARGARET HANNEMAN "Marg"

"Get me an excuse!"

One would expect versatility from a girl who can handle anything on wheels—automobile, truck, motorcycle, tractor—and to whom broken arms and sprained ankles are an old story. But add to this a kind of practical business sense put to good use in marketing and management of the "Tip Top," willingness to serve on endless property committees, quiet poise, an attractive appearance, and "Bill"—and that's Margaret.

NEAL CRAWFORD "Neal"

"Minor details!"

Say "Neal" and we think of . . . well, football shoulders, a preference for junior girls, pride in the "Hootch Buggie," loyalty to school and friends, plus a kind of dependability and persistence which has made him more than once a star salesman and now in his senior year a record-smashing manager of annual advertising. Not even the troublesome mimeograph machine or a balky stapler can quite exhaust his patience, though they may produce suitable comment quite in keeping with Neal's piercing dark eyes and perverse teasing.

SENIORS . . .

JOHN CLARKSON "Johan"

"Baby!"

As a freshman Johnny handled his first dramatic role—creating "Elmer," warm-hearted, noisy, troublemaking "kid brother" in the Thespian one-act play of that name, and he has seldom been "out of character" since. A bit of braggadocio, a good deal of wit, biting or otherwise, flashes of inspired humor, a voice that can be *heard*, an endearing "little boy" manner (when he wishes), and the kind of spirit that lets him take a football injury in stride, keeps him fighting till the final whistle blows on the basketball floor, or sends him sailing over the high cross bars—that's Johnny. Anyone who knows him can readily understand his fondness for riding an ice-cream scooter, and Dolf and Norv can tell you the kind of pal he is.

BETTY JEAN RUDOLPH "Rudy"

"Beats me!"

Betty Jean has hazel eyes, a disposition both vivacious and serious, a graceful, poised posture, and a flexibility of voice and face which have lent themselves admirably to the creation of many exacting character roles, comic and tragic. Persistence, determination, intensity of purpose, a sense of responsibility, these characterize her whether she's editing *Hi-Lites* or *Spencerian*, working in her 4-H Club or at Ben Franklin, teaching a Sunday School class, or setting a record for twelve years of perfect attendance at school.

JOHN KERWIN "Jack"

"That little devil."

Jack is the lad with the "matinee idol" profile—and sleepy eyes when he arrives in homeroom every morning just in the nick of time (that is, if "alarm clock" Bill Kothe is on time.) He is known to exert himself for the Key Club, P. O. D., football, editorial and art work, the ailing mimeograph (in fact, he's *the* authority on its ailments), and . . . well, frankly, just lots of things, all this accompanied by plenty of teasing and a good seasoning of jokes. And one thing everyone knows—there's not a more loyal or sincere person in Spencer than Jack Kerwin.

ROGER COOK "Cookie"

"Ha-a-a-a-a-a-a-a-a"

When an explosive laugh nearly shakes you out of your seat, you can be pretty sure it's Roger just showing his appreciation of something seen, read, or heard. He has a craving for candy, player piano rolls, cars, and especially scooters (at least he is often seen riding to school on his "special"). But something known to few is the fact that Roger is already an expert in the odd-job field, and that some of his imagination and initiative paid dividends for the Class of '51 when it came to getting new ads for the *Spencerian*.

SENIORS . . .

CAROLE KLEIN "Cakie"

"That makes me so mad!"

Carole is blessed with an attractive smile, dimples, and lovely dark eyes. One might even expect a southern drawl and she has even that, plus a ready blush, pep enough for cheerleading and typing "fireworks," and a fondness for convertibles, polkas, and Mrs. Paine's gingersnaps.

DAVID BRUMAGIN "Dave"

"Madam!"

Definitely college-bound, Dave is noted for his good-hearted, sincere manner and his loyal and helpful support of the Spencer Wildcats. Chemistry fascinates Dave and he's had a lot of fun out of using the new science kit to illustrate the wonders of our natural world to elementary students. Anyone who has ever seen him in a play recognizes that his success is very largely due to the whole-hearted way in which he throws himself into his characterization. Who can forget him as the harassed astronomer-father in "No Moon Tonight" or bombastic Ambrose in "My Late Espoused Saint"?

MARY ROSELLA WILLIAMS "Mary"

'Got a date with Don."

As long as we have known Mary she has been quiet, reserved, and bashful, but under her shyness hides a great deal of "know-how" about farming. Her many accomplishments in 4-H work were climaxed when she spent a glorious week at the State 4-H Congress on the Ohio State University campus in Columbus last fall. Her classmates remember with warm appreciation her capable prompting for both their junior and senior plays. She likes roller skating, her little dog, and her O. A. O. "Don."

HOWARD WOLCOTT "Buddy"

"You're getting sneaky there!"

Don't let Buddy's beautiful brown eyes and long lashes fool you. Under them lurk plenty of irrepressible mischief and wit. He likes to roller-skate, cook, drive his car, throw apples (?), and of course dance (His technique has been smooth and faultless for years). And those who have attended games this year, noting some of the same smooth and graceful co-ordination in his basketball technique, give credit to this lad who has worked so hard to achieve them.

SENIORS . . .

JUDITH SHEPPARD "Judy"

"I don't guess so."

Shy and quiet, with shining hair, expressive blue eyes, and a slender, graceful figure, Judy combines a variety of interests and skill, among them cooking and sewing, dancing, and chauffeuring a "well-filled" jeep. Her eyes light up when she speaks of her desire to travel.

WILLIAM CARLIN "Bill"

"Excuse me!"

Horses and baseball are the two stars in Bill's private heaven, so one is not surprised by his flair for picking up grounders. And in the two years he has been here Spencer students have gotten used to his well-groomed appearance and his quick dry wit. But the seniors will never forget his earnest though nearly unavailing struggle to learn the right intonation for "What—what is it?" and his final triumph in the role of Mr. Sanders.

CLASS PROPHECY . . .

May 23, 1976
Geneva, Ohio

Dear Mrs. Paine,

I have just returned from a tour through the United States and, having been able to look up all my old classmates, I thought you would enjoy hearing of their where-abouts.

First, I found Bill Kothe in Cleveland. Bill has invented a super motor-scooter which doesn't need to be steered. It is completely controlled by push buttons.

And speaking of motors, you remember how proud Neal Crawford used to be of his "Hootch Buggy." Well, he's in Detroit now, a test driver for General Motors and one of the best in the field. He made headlines recently when he demonstrated his new safety harness which he guarantees will make accidents safer.

Next I found Fred Inman, now a famous cartoonist in Chicago. His most famous cartoon, "Awful Annie," is carried by the largest newspaper syndicate in the United States.

From Chicago, I traveled on to Notre Dame, where I found Adolph Tersigni. Dolph coaches all sports, and it is said that Notre Dame hasn't lost a game in the twenty years he has been at the helm.

I bumped into Roger Cook in Sun Valley, Idaho. Why, he's a skiing instructor and holds the all-time record for ski-jumping, believe it or not.

In Washington State I found Mary Williams busy over-seeing the packing of apples on her fruit farm. Mary has propagated a fruit which looks like an apple, tastes like a pear, and has a stone like a peach.

Next I headed for Hollywood and there I saw Betty Jean Rudolph, who has just completed her latest picture "I." She has been voted the most famous dramatic actress of our time, but perhaps you read about it in the March 27 **Free Press.** You still get it, don't you?

Also in Hollywood I ran across Howard Wolcott. He has a Sunset Boulevard dancing studio which, as you might expect, is patronized by the young fry of the most successful movie stars.

In Texas I saw Bill Carlin. He owns his own dude ranch, now one of the most famous in the West, and he calls it the "Flying C."

From Texas I went to Kansas, where I visited Beverly Lyon Lomas at Fort Riley. Dave has made the Army his career—he's a colonel now—and Beverly lives right at the camp with him. They have quite a family.

I was too close to Missouri to miss the chance of looking up John Clarkson, who, I had heard is raising mules. I found him on a very modern farm, but unfortunately the constant braying of the mules made it difficult to talk.

In Kentucky I found Harry Percival, now veterinarian for famous race horses. Harry is well-known in racing circles throughout the United States for his success in converting retired turf champions into Derby winners.

CLASS HISTORY . . .

Brimming over with energy from the first through the twelfth grades—that describes the Class of '51, with its twenty-two members, eight of whom began their school days here at Spencer. Teachers of this class from the first grade until the freshman year were: Grade 1, Miss Kellog; grade 2, Miss Styles, Miss Sterns; grade 3, Miss Young; grade 4, Miss Roth; grade 5, Miss Gill, Mr. Logan; grade 6, Mrs. McDonald; grade 7, Mrs. Gressle; grade 8, Mr. Grafel.

In their freshman year the Class of '51, with Mrs. Ball as adviser, elected Bob Kozub, president; Carole Klein, vice president; Norma Phelps, secretary; William Kothe, treasurer. This year John Clarkson and Betty Rudolph participated in the Thespian play "Elmer" and Harry Percival in the prize-winning Thespian play, "The Valiant."

In their sophomore year they had many activities, including a Shamrock Dance, two bake sales, a hayride, and a Christmas party. Betty Rudolph and John Clarkson had parts in the two Thespian plays, "The First Dress Suit" and "The Secret Door" respectively. Pat McEntee was elected president; Jack Kerwin, vice president; Bob Kozub, secretary; David Brumagin, treasurer. Mr. Marko was class adviser.

In their junior year, they sold Christmas cards, sponsored all special assemblies, and handled refreshments at home games, all of which led up to the main event of the year, the Junior-Senior Prom. The main money-making project of the year was the class play, "When A Feller Needs A Friend," a three-act comedy of error with the following cast: Jack Kerwin, Norma Phelps, Adolph Tersigni, Robert Berry, Carole Klein, Betty Rudolph, Harry Percival, Beverly Lyon, and Margaret Hanneman, **and** Tiddleums, the dog. Adolph Tersigni was elected president for the year; Jack Kerwin, vice president; Carole Klein, secretary; Lee Clutter, treasurer. Mrs. Lewis was class adviser.

In the senior year the class play was "No Moon Tonight" and the cast included: David Brumagin, Norma Phelps, Carole Klein, Betty Rudolph, Bob Berry, Jack Kerwin, John Clarkson, Bill Carlin, Loretta Brazis, Beverly Lyon, and Harry Percival. Bob Berry, Betty Rudolph, and Jack Kerwin were in the Thespian play, "The Room Upstairs," while Harry Percival and David Brumagin played in "My Late Espoused Saint," winner of the local one-act play contest.

The seniors had a Hallowe'en party with Mrs. Rudolph, their room mother, as hostess. Mrs. Paine was adviser and they elected the following class officers: Bob Kozub, president; Bob Berry, vice president; Beverly Lyon, secretary; Adolph Tersigni, treasurer.

Margaret Hanneman, who has been with us for all twelve years, was born September 5, 1933, right here in Geneva. She was elected Queen at the A. A. Carnival in her junior year. Margaret is not certain of what she will do after graduation.

Norma Phelps, born February 14, 1933, in Geneva, also spent all of her "school days" here at Spencer. She was voted Prom Queen Attendant at the 1950 prom. After graduation she hopes to secure a secretarial job.

THE ELEMENTARY GRADES . . .

From the four rooms which it had for many years, the Spencer elementary school has expanded into nine rooms this year thanks to space provided by the new addition; and still the enrollment increases.

The room mothers have been especially helpful this year with parties at Hallowe'en, Christmas, Valentine's Day, and Easter, with the Hallowe'en parade, the Christmas program, the shower for Mrs. Persinger. When additional help was needed, there were always more mothers willing to volunteer their services.

The following women served in this capacity: Mrs. Turner—Miss McKissic's room; Mrs. Beckwith—Mrs. Jefferson's room; Mrs. Kodrick—Mrs. Persinger's and Mrs. Puckrin's room; Mrs. Kozub—Mrs. Wright's room; Mrs. Jalli—Mrs. Niles' room; Mrs. Gleason—Mrs. Goodrich's room; Mrs. Riedel—Mrs. Cornell's room; Mrs. Burkhardt—Miss Stafford's room; Mrs. Dorman—Mrs. Heath's room.

With the guidance of Mrs. Heath the Junior Red Cross conducted its most successful membership drive, collecting a total of $46.59. The response to every other appeal for help made by this group was just as enthusiastic.

In October, ten overseas Christmas boxes were packed. In November, members also made seventy-five Thanksgiving favors for the Ashtabula County Home, and twenty-five for Geneva Memorial Hospital.

In December, ten Christmas boxes were packed for both the Ashtabula County Home and the Longview Hospital.

In February, twenty-five valentine favors, and in March, twenty-five St. Patrick's day favors were made for the Geneva Hospital.

STUDENT COUNCIL . . .

The most important activity of this year's Student Council was that wonderful Christmas Party which provided dancing, refreshments, a Christmas tree, loads of fun, and last but not least, Santa Claus who passed out gifts to everyone and turned out to be none other than our own Mr. Ingham. Mr. Parmigian, Student Council adviser, and his committees were responsible for one of the most enjoyable and smooth-running all-high-school parties ever held at Spencer.

In addition, the Student Council served the school in whatever capacity needed, and continued the customary noon movies every other week during the winter months.

The officers for the first semester were: President, Norma Phelps; vice president, Lee Clutter; secretary, Diana Kozub; treasurer, Bill Friedel. The room representatives were: Leland Alexander, Diane Lye, Tony Tersigni, Darlene Hillier, Bernard Schupsky, Wanda Wolcott, Anna Mae Gawlikowski, Margaret Braun, Dick Merrill, Arthur Kerns, Lenny Rose, Bob Berry, Pat Lizewski. HI-LITES . . .

This year a sincere attempt was made to produce a more interesting, current, and satisfying **Hi-Lites** for the reader and still retain the 5-cent price per copy.

Several new attractions were added, among them, a comic page, an illustrated "guess who" name page, a music page, and a greater quantity and variety of feature material.

These accomplishments would have been impossible without the earnest effort of an unusually large and dependable staff and the guidance of Mrs. Paine and Mr. Brainard. Almost every other Thursday evening during the school year passers-by would see the production staff and Mrs. Paine working so that the **Hi-Lites** might meet the Friday deadline.

This staff included: Associate editors—Norma Phelps, Betty Jean Rudolph, and Jack Kerwin; business manager, Neal Crawford; production, Carole Klein; art, Doris Clutter and Bob Kozub; sports, Dave Brumagin, Jack Lingle, and Harry Percival; exchange, Helen Grabkowski; reporters, Barbara Griffith, Marlene Glaab, Janet Silvestro, Jackie Blair, Marilyn Polkow, Pat Rennick, Joanne Lucas, Charlotte Tarantina, Donna Prentice, Mary Lois Stern, Bette Jeanne Weintz, Diana Kozub, Betty Ann Cheney, Mary Lou Kropf, Pat Tipton, Janet Starkey, Mary Lou Warner, Loretta Brazis, and Margaret Hanneman.

KEY CLUB . . .

Officers elected for this year were: President, Jack Kerwin; vice president, Robert Kozub; secretary, Arthur Kerns; treasurer, Adolph Tersigni. Norvin Turner, Donald Diglia, and William Kothe served as the board of directors and Mr. Ingham again acted as the organization sponsor.

In the fall the group conducted a scrap drive for funds to send a delegate to the Key Club International Convention at Miami, Florida, in June. Delegates were sent to the convention in Youngstown, April 28.

The Spencer group was represented at each of the Geneva Kiwanis dinner meetings, and March 2 members enjoyed a swimming party at the Ashtabula Y.

Among the Key Club's contributions to the welfare of the school were assisting with parking at school functions, working on the parking lot and on the track pits, and helping to pack Christmas boxes for needy families.

HI-Y . . .

The Hi-Y initiated three new members into the organization October 25.

With Mr. Brainard as their adviser, they elected the following officers: President, Lee Clutter; vice president, Adolph Tersigni; secretary-treasurer, William Kothe.

The boys enjoyed several swimming parties, helped the Y-Teens pack Christmas boxes, then delivered them to the proper families, and were responsible for the school Christmas decorations.

March 8 a banquet was held for the new members at the Kerwin home. Mrs. Paul Kerwin, Mrs. Charles Lingle, Mrs. Albert Clutter, Mrs. Ralph Friedel, and Mrs. Edith Aultman prepared and served the meal.

Y-TEENS . . .

With one of the largest memberships in the history of its organization at Spencer, 46 girls in all from grades 10-12, the Y-Teens look back upon a year of enjoyable and worthwhile experiences gained within their own club, through conference experiences with other northeastern Ohio Y-Teen members and advisers, and through closer cooperation with the Ohio District Y. W. C. A. and its directors.

Officers were: President, Margaret Hanneman; vice president, Marlene Glaab; secretary, Norma Phelps; treasurer, Betty Jean Rudolph. Mrs. Paine and Miss Shaulis served as advisers, while the club owed much to the generous assistance of the Y. W. C. A. Council headed by Mrs. Russell Stern, chairman, and Mrs. Harry Starkey, secretary-treasurer.

Carole Klein and Norma Phelps were chosen by the club to represent Spencer at the two inter-club conferences held during the year—the first at Aurora in September and the second in April at Hiram.

Marlene Glaab and Mrs. Paine served on the planning committee for the Day Conference held October 7 at Ashtabula High School. Eleven Spencer Y-Teens attended the conference and enjoyed immensely this opportunity to get acquainted with other girls in this area and to discuss mutual problems. The Spencer group was thrilled when the District Y-Teen director "borrowed" the center pieces they had made to depict the conference theme, "Y-Teens in a Friendly World," for a district convention to be held in Columbus the following Saturday.

New members were initiated October 19 and formally recognized October 24 at a candlelight service attended by mothers of the girls and guests.

The club assumed responsibility for delivering literature on the bond levy to every home in the township on the Monday afternoon preceding election day. The custom of packing Christmas boxes for needy Spencer families was continued with the assistance of the Hi-Y and the Key Club.

Three special programs were presented this year: a costumed U. N. program featuring songs and readings of member countries at

THESPIANS . . .

Thespian Troupe 679, under the direction of Mrs. Day, had a busy and profitable year with Jack Kerwin as president; Robert Berry, vice president; and Beverly Lyon, secretary-treasurer.

Two one-act plays, "My Late Espoused Saint" under the direction of Miss Shaulis and "The Room Upstairs" under the direction of Mrs. Day, were presented to the public in a local contest, January 25. The winner of the two, "My Late Espoused Saint," then competed in the county preliminaries at Edgewood January 29.

New senior Thespians were taken into the club after participation in the senior play and the one-act plays had given them sufficient points for membership. Other new members were accepted in the spring.

MUSIC DEPARTMENT . . .

Under the direction of Miss Shaulis, the music department has many outstanding programs to its credit this year. But its major accomplishment is, without doubt, the production of the Gilbert and Sullivan favorite, "H. M. S. Pinafore," which thrilled a capacity house May 4. It was the most ambitious and difficult venture in the history of Spencer's music department, and it required a vast amount of time and hard work on the part of everyone concerned.

November 1, the girls' chorus presented an enjoyable program for the bond levy rally. December 20, a varied and smoothly-staged Christmas program was given for the P. T. A. by grades 1-12. There were group numbers, solos, recitations, and a girls' ensemble, all of which were warmly applauded by the capacity audience. Mrs. Goodrich assisted as accompanist.

January 5, the girls' chorus sang for the County Council P. T. A. meeting at Spencer. April 19, the choral group entertained the Kiwanis Club. And the girls provided musical selections for both Baccalaureate and Commencement.

Members of the girls' chorus were: Pat Edney, Betty Jean Rudolph, Helen Grabkowski, Mary Lou Warner, Janet Starkey, Mary Lou Carraher, Virginia Price, Anna Mae Gawlikowski, Louise Gawli-

TECHNICAL TEENS . . .

Under the leadership of Mr. Marko, the Technical Teens have enjoyed many worthwhile activities. In February, club members and shop boys spent a profitable afternoon at the Geneva Metal Wheel Co. Then came two Cleveland tours for the Technical Teens, one to the Tapco Products Co., Euclid branch of the Thompson Products, the other to the United Fabricators Co. In addition, the boys enjoyed several swimming parties. They also continued the custom of presenting a Technical Teen sweater to each graduating member.

Club officers this year have been: President, Rad Cowger; vice president, Adolph Tersigni; and secretary-treasurer, Bob Berry.

There were seventeen members, and the initiation which was held for the six new members October 26 ended with a barbecue party at the Marko home.

4-H CLUBS . . .

Spencer's 4-H Clubs had a busy summer with projects, picnics, meetings and other activities and most of the groups had a few "get-togethers" during the fall, winter, and spring months.

With Arthur Williams, Jr., as leader and Mary Williams as assistant leader, the SPENCER JUNIOR FARMERS elected the following officers: President, John Clarkson; vice president, Bob Clutter; secretary, Marlene Glaab; treasurer, Neal Crawford.

There were eleven members in the club, most of whom exhibited projects at the Fair. Some of the members received prizes.

The recreational activities of the year included a swimming party, and a wiener roast at the river.

The RUDY'S BUSY BEES clothing and baking club was under the leadership of Mrs. Harvey Rudolph, with Marianne Harvey and Mabel Rudolph as assistant advisers. The club elected Mary Williams, president; Virginia Merrill, vice president; Kay Friedel, secretary; and Betty Jean Rudolph, treasurer.

At the county achievement meeting the Busy Bees were awarded a trophy by the Northeastern Ohio Bankers Association for accomplishing more than any other club in the country.

The twelve girls in the club exhibited fifteen projects at the county fair, receiving all A's and B's. Seven were in the style review.

SCOUTING AT SPENCER . . .

The spirit of expansion and progress which has characterized this year at Spencer is nowhere more evident than in the scouting program, as proved by the fact that the three units of last year have been doubled this year with the organization of three new Brownie Troops in grades 2, 4, and 5.

BOY SCOUT TROOP 58 . . .

Scoutmaster Gordon Polkow is assisted by C. W. Marlette and W. H. Starkey, and the following committee headed by chairman J. W. Puckrin: Lewis M. Cox, T. C. Akehurst, Clyde Ingham, Milford Naughton, Eugene Jeffers, Matthew Gaul, Deane Hill, and Francis Webb.

Perhaps the most memorable event of the year was an Indian investiture ceremony for which the boys made Indian costumes, then went back into the woods and in the presence of their parents took eight new boys into the troop.

Thirteen boys attended one week of summer camp last July and each advanced one rank before he returned home.

The troop won a proficiency ribbon for camping and camping skills at a two-day camporee last spring, as well as several ribbons at the two rallies they attended. Members also enjoyed several swims at the Ashtabula Y, and went on numerous over-night camping trips to provide an opportunity for practicing the scout skills. In conjunction with the cub pack, October 2, the troop put on a penny supper which was a huge success with about 300 people attending.

CUB SCOUT PACK 58 . . .

The Cub Scout movement started at Spencer under the sponsorship of the P. T. A. in the fall of 1949 and Pack 58 began its charter year on November 30, 1949, meeting the fourth Thursday of every month at the school. When the charter was renewed November 30, 1950, there were 36 cubs in the five dens: 8 bobcats, 4 wolves, 13 bears, and 11 lions. There are now 41 cubs and 6 dens with the following den mothers in charge now or at some time during the year: Den 1—Mrs. Wayne Hopes, Mrs. Louis Zupancic, Mrs. William Reynolds, Mrs. James Carpenter; Den 2—Mrs. James Gleason and Mrs. Carl Burhanna; Den 3—Mrs. Ralph Dorman, Mrs. Joseph Romeo, and Mrs. Earl Bedison; Den 4—Mrs. John Stroke, Mrs. Earl Sherlock; Den 5—Mrs. Francis Webb, Mrs. Edwin Ogden; Den 6—Mrs. John Kropf.

The committee for the current year includes: Chairman, Carl H. Burhanna; secretary-treasurer, Wayne Hopes; activities, John Kropf; achievements, Ralph Dorman; publicity, Earl Bedison; cub master, William Reynolds; and institutional representative, Lewis Cox.

At the annual inspection in November the cubs had the honor of received the highest rating in the district. High-light of the year for both scouts and cubs was the annual Blue and Gold banquet held February 23.

(Continued on Page 93)

SPENCER CLUB . . .

Young in age (It was only a year old last February 7, but mighty in accomplishment—this is our Spencer Club, proudly known as the "Heart of Geneva Township."

The officers for 1950 were: George Penzenik, president; Paul Kerwin, vice president; Russell Stern, secretary; Ralph Friedel, recording secretary; James Puckrin, treasurer.

Those taking office in January for 1951 are: Paul Kerwin, president; Ralph Friedel, vice president; Henry Schupsky, secretary; Nick Diglia, recording secretary; Louis Cox, treasurer.

Trustees are Russell Runyan, Ray Lange, George Penzenik; and committee chairmen—athletic, Michael Marko; civic, Ralph Phillips and Frank Turner; legislative, Russell Stern and Ed Burkhardt; membership, Henry Schupsky; program, Ralph Friedel; publicity, Ray Lange; fund raising, George Penzenik; welfare, Royce Evans; civil defense, Clyde Ingham.

Summer was anything but vacation time for the Spencer Club. It brought instead long hours of arduous work in preparing and carrying through the remonstrance petition which successfully blocked, at least for a time, the plan for consolidation.

September 10, members played host to the whole township at the Geneva Township Park, and this picnic, like everything else they have undertaken, was a huge success.

Next they took on the responsibility of completely equipping Spencer for football and conducted a raffle that netted approximately eighteen hundred dollars for this purpose. The Club also actively backed the bond levy campaign for the new gymnasium.

We feel sure that, whatever the course of events this summer, the Spencer Club will do all in its power to shape them for the best interests of the school and the community.

P. T. A. . . .

Progress through the years at Spencer School owes much to many organizations, not the least of which is the Parent Teachers Association, which has loyally striven "to promote the welfare of children and youth in home, school, church, and community."

Officers for the current year have been: President, Mrs. George Penzenik; vice president, Mrs. Thomas Akehurst; secretary, Mrs. Doris Rennick; and treasurer, Mr. Leo Friedel. Total membership for the year was 195.

Projects for the year included an April dance, an apron project, a bazaar, and the sale of T-shirts and hats.

HOT LUNCH PROGRAM . . .

Each year the number of students taking the school hot lunch has increased, but this year it reached an all-time high with an average of 350 persons served daily, while at the same time the high quality of food and service has been maintained.

FOOTBALL . . .

COACH MICHAEL MARKO

At last Spencer has a football team. Yes, after many years of waiting, Spencer finally has eleven-man football, fully equipped and on an inter-scholastic level.

Although there were several games scheduled for the football season as early as last spring, all of them had to be cancelled because of the consolidation question. However, one real game and several scrimmages followed: one with Madison, one with Kirtland, and one with Geneva. The game was with Riverside and the score at the end was 51-6 Riverside, although the Wildcats fought valiantly against their more experienced opponents.

FOOTBALL . . .

The boys got a rather late start because of baseball, but they all worked hard to get in shape. In fact, as it was the first year, everybody had to work harder than usual. The squad was small, too, and after three injuries it was smaller yet. Still, injuries were few considering that it was the first year for the boys. Dolf Tersigni suffered a broken hand; John Clarkson, a chipped elbow; and Delpha Sloan, a broken arm.

Eighteen fellows in all came out. They were: Dolf Tersigni—E, Bill Friedel—T, Lee Clutter—G, Rad Cowger—C, Jack Lingle—G, Lenny Rose—HB, Barney Schupsky—G, Norvin Turner—FB, Dick Cheney—HB, Don Diglia—QB, Neal Crawford—T, Bill Carlin—HB, Jack Kerwin—E, Bob Kozub—E, Carl Pretz—T, John Clarkson—HB, Delpha Sloan—G, and Bruce Rennick—T.

Coach Marko was impressed by the way his boys took to football with no previous experience whatsoever, and stiff drills in fundamentals and conditioning could not take the fun out of the game for them.

A tentative schedule has been drawn up for next year including contracts with the following schools: September 14, Jefferson; September 28, Perry; October 5, Madison; October 19, Kirtland; with possibilities of scheduling three additional games.

HIGH SCHOOL BASKETBALL . . .

Eliminated from further tournament play after their third game—a heartbreaking 2-point loss to Edgewood, whom they had once defeated and once bowed to during the regular season—the Wildcats balanced their 1950-51 accounts and found that there was profit along with the loss.

It was a season which started slow but gathered momentum—as the boys improved in team play and desire to win. Shooting accuracy

reached its peak in the game with Grand Valley, when all-time records were set for Spencer in both team and individual scoring—the first netting a total of 78 points, and Dolf Tersigni tallying 28.

In spite of this shooting accuracy, however, Coach Marko felt that the Wildcats fell far short in their utilization of shooting opportunities, a fact which proved a definite handicap.

As for next year, the picture is uncertain. There will be four returning lettermen and the reserve squad should offer a little more height, but lack of experience may be a potent factor.

JUNIOR HIGH BASKETBALL . . .

A record of seven wins out of nine games played, plus the championship of the Northern League (earned the hard way in a play-off with North Kingsville at Kingsville) is enough to make anyone feel proud. And Mr. Greenawalt, ending his first year of coaching in secondary schools (He had had some previous experience with Y. M. C. A. groups), feels especially proud of his Wildkittens not only because of their record, but also because of their aggressiveness and outstanding team spirit, and the dependability and willingness of the substitutes. All this in spite of the fact that with only nine members in the junior high squad, at no time during the season were there enough players for a complete second team at the practice sessions.

The Kittens topped off the 1950-51 season by participating in an invitational tournament which was held at Deming Local School March 14, 16, and 17.

BASEBALL . . .

Having chalked up five wins out of seven games played in spite of the short season and unpredictable weather, the Wildcats came to the end of their 1950 baseball season at Morrison Field, Ashtabula, in their first tournament game, when Orwell handed them a 4-2 defeat under the lights.

It was a good defensive ball club, though a "bit weak with the stick," according to Coach Marko. Cowger and Kozub were pitching mainstays, while the catching department was well fortified with Rose and Clarkson. Field play was outstanding, thanks to a veteran infield and some spectacular play from the outfield. Long-ball hitter of the group was Dolf Tersigni.

The starting line-up included: Rose—C, Cowger—P, Carlin—3B, Tersigni—SS, Clarkson—2B, Friedel—1B, Kerwin—LF, Kozub—CF, Turner—RF. Substitutes were Cheney—OF, Wolcott—OF, Berry—IF, Runyan—OF, Puckrin—IF, Schupsky—IF.

Additional games were played in the spring.

TRACK . . .

The 1950 track season was a real success for Spencer any way you look at it, for the Wildcats emerged the second year in a row with both league and county championships and with representatives competing for the third consecutive year in the district meet at Orange and the state meet at Columbus.

Coach Marko built his winning team around a nucleus of point-getters Dubsky and Skul. It included Clarkson, Inman, Friedel, Rose, Turner, Carlin, Diglia, and Kozub. As a result, all schools were pointing toward up-setting the two-time league and county champs this spring.

But Spencer's possibilities were pretty good for developing point-getters among the following: Field events—Friedel, Kozub, Diglia, Clarkson, and Percival; running events—Rose, Inman, Clarkson, Diglia, Carlin, Kozub, Berry, and Turner. Competition will tell.

SPORTS AT SPENCER . . .

This summary of sports through the years at Spencer is as complete and accurate as we have been able to make it. Although basketball began in 1937, records of all games played were unavailable. For this reason we have begun our summary with the 1941-42 season.

CLASS PROPHECY . . .

(Continued from Page 18)

From Kentucky I dropped down into Tennessee. I had heard about the famous "Gainmore," a tonic to make one gain weight, but I had no idea it had been developed by our own Judy Sheppard, who is making a fortune from it.

Leaving Tennessee and Judy, I went to Florida, and there one day ran across a restaurant sign, the "Tip-Top," which reminded me of old times. I decided to sample the food, and you can imagine how surprised I was to find that Margaret Hanneman, now Margaret Dennison, is the proprietor. Margaret and Bill have a chain of "Tip-Top" restaurants all through the United States.

From Florida I flew to Washington, D. C. On the plane I saw a familiar face. It was Lee Clutter—also on his way to Washington, where he hoped to interest the government in a new type of fuel. One capsule, according to Lee, will run a car for a month.

Lee informed me that Jack Kerwin is working in the Pentagon Building in Washington, D. C., and is a very well-known research chemist.

Soon after, in New York, I saw Bob Kozub, now a great artist with many famous paintings to his credit, the best-known, perhaps, being "A Modern Mona Lisa."

Bob has recently heard from Dick Brumagin, now a missionary in the Fiji Islands. Dave had sent color photographs of his new mission church, which he described as the largest and most unusual bamboo structure of its kind in the world. His mission field has expanded greatly during the last ten years.

While in New York, I looked up Loretta Brazis, a famous Metropolitan mezzo and out-standing "Carmen" of our day.

From New York I returned to Ohio to find that Bob Berry is still in Geneva, where he is associated with his father in the mink business. As a hobby he has started raising chinchillas and hopes eventually to make a business of it. You can judge of their success from the fact

When I arrived at home I went to see Norma (Phelps) Telling and found her busy as usual in her home on Route 84, very busy in fact—she and Jim have three pairs of twins.

Now that I have told you about all of my classmates, are you wondering about me? Well, I plan to continue working and saving my money for a trip around the world. I hope you and Mr. Paine are enjoying yourselves at your Hawaiian retreat and I shall certainly run up to see you if I reach Honolulu next June.

Sincerely yours,
Carole Klein

CLASS HISTORY . . .

(Continued from Page 19)

Bob Berry first opened his eyes May 1, 1933, in Geneva. Bob is another of the original class. He was elected Prom King Attendant in 1950. He plans to continue in the mink business with his father.

The stork came to the Percivals nineteen years ago, January 19, in Cleveland, Ohio, where Harry first attended school. After a year he went to Kirtland, where he remained until the fourth grade. Next came Spencer, then Mentor for the seventh grade, and back to Spencer to finish his schooling. He hopes to be a veterinarian.

Jack Kerwin came to us in the ninth grade, having attended Akron King, Fairlawn, and King in that order, then Buchtel High School, Akron, before arriving at Spencer. Jack is considering college after graduation.

David Brumagin entered this world June 23, 1933, in Cleveland, Ohio. He attended Brachim School for three years, then to Prospect School for the fourth grade, to Welch Hall for one year, on to Ypsilanti High School, Michigan, for three years, and finally to Spencer. He plans to enter college in the fall.

Loretta Brazis caught her first glimpse of the world June 22, 1933, in Cleveland, Ohio, where she attended St.

George School for eight years. Then came one year at Beamont School for Girls, Cleveland, and at last, Spencer. Her plans are uncertain.

Roger Cook was born in Geneva, too, where he attended school for nine and one-half years before transferring to Spencer. After he graduates he plans to get a job.

Bill Carlin was born January 28, 1933, in Thompson, Ohio. In Cleveland he went to Christ the King School, for eight years, to Benedictine for one year, then to Shaw, and finally to Spencer. After graduation Bill hopes to join the Air Force.

Beverly Lyon was born March 4, 1933, in Geneva, Ohio. She started school at Geneva but left there after four years and went to Homer Nash Kimbal, Madison, for two years. She came to Spencer in the seventh grade, then she went to Wilson Junior High in Cleveland for two years, on to East High School in Cleveland for a year and then to Spencer for her junior aand senior years. Bev's plans are uncertain.

June 10, 1932, Lee Clutter was born right here in Geneva. This slim, blond-haired senior lad attended Geneva School for his first six years, and then moved to Saybrook for three years. He spent his sophomore year in Ashtabula but came here in the eleventh grade. Lee plans to go to California after graduation.

All smiles—that's Bill Kothe, who also began his schooling at Spencer 12 years ago. He was born December 7, 1933, in Geneva, Ohio, and after graduation he hopes to get a job.

Howard Wolcott, better known as "Buddy," was born January 12, 1934, and is another who has completed all his schooling here at Spencer. He plans to work this summer.

A better farmer than most boys could hope to be is Mary Williams, born September 4, 1933, in Geneva, and also an original Spencerite. She has been an outstanding member of the 4-H and was sent as a delegate to the Ohio 4-H Club Congress at Ohio State University last

Fred Inman was born right here in Geneva, July 4, 1933, and he too has been at Spencer all twelve years. His future is uncertain.

Neal Crawford was brought into this world July 30, 1933, in Cleveland. After one year in the Berea School, he came to Spencer. His future is very uncertain. It's a draw between the army and a job.

Johnny Clarkson was born November 10, 1933, in Euclid, Ohio. He went to Nobel School, Euclid, for his first three years, then came to Spencer. John is uncertain about his future plans, but it seems Uncle Sam isn't.

Carole Klein came here in the fourth grade. She went to Jefferson in the first grade and then she spent two years in the Chardon School. Carole plans to work after she graduates.

Robert Kozub, our class president, was born May 22, 1933, in Cleveland, Ohio. Bob started his schooling at Cleveland Treemont and went there two years, on to St. John Cantius for two years, and then to Spencer. He plans to attend college this fall.

Betty Jean Rudolph joined our happy circle in the fifth grade, when she transferred from Rock Creek. "Rudy" was born July 22, 1933, in Rome, Ohio. After graduation she plans to continue working at Ben Franklin's.

Judy Sheppard was born October 30, 1932, in Painesville, Ohio. She attended Chardon School for six years and transferred to Champion Junior High, Painesville, in the seventh grade. From there she came to Spencer. She says her main ambition is to travel.

SCOUTING AT SPENCER . . .

(Continued from Page 41)

GIRL SCOUT TROOP 58 . . .

Girl Scout Troop 58, sponsored by the Spencer P. T. A. celebrated its first birthday in April of this year, with 16 girls from the sixth grade led by co-leaders Mrs. Charles Crabtree and Mrs. Stanley Kozub. Committee members are Chairman Mrs. G. W. Berry and Mrs. Bruce Erb.

All the girls passed their Tenderfoot requirements, and almost all received their second-class badges at a short but impressive ceremony on December 14 in the United Church Annex.

Last summer four of the members attended Camp Stigwandish in Madison, and most of them attended Day Camp at the Geneva Girl Scout Camp in Cork.

March 13 the Girl Scouts and the three Brownie Troops united to observe the 39th anniversary of Girl Scouts with a dinner for their families at the school. One hundred attended this observance of the Girl Scout Birthday, the first for Spencer, since this area had only recently been organized as one of the Neighborhoods of the new Massasauga Council, with Mrs. Wayne Hopes as Neighborhood Chairman.

BROWNIE TROOP 57 . . .

January 8, 1951, the first Brownie Troop in the history of Spencer School was started, with 15 girls from the second grade in the troop. It has since been designated as Troop 57 by the Massasauga Girl Scout Council.

Mrs. Harvey Rudolph, with eight years of experience in Girl Scout work, was appointed Brownie leader and Mrs. Max Tipton, assistant leader. The troop committee is composed of Mrs. Charles Tarantina, chairman; Mrs. Steve Egleston, and Mrs. Charles Lazanis. Patrol leaders are Peggy Berry and Georgia Erb.

The purpose of the Brownie Scouts is to help make the girls useful to themselves and others through study of the following program fields: Agriculture, arts and crafts, community life, health and safety, homemaking, international friendship, literature and dramatics, music and dancing, nature, sports and games.

TROOPS 59 AND 82 . . .

In February two more Brownie Troops were organized, one in the fourth grade with Mrs. William Jalli and Mrs. Edgar Hickok as leaders, and another in the fifth with Mrs. Verlin Klingler, Mrs. Joseph Romeo, and Mrs. Clair Burlingame in charge. In March the two groups were designated as Troop 59 and Troop 82 respectively. The fourth grade patrol leaders are Catherine Brown and Lillian Griffith, and the fifth grade, Joanne Williams and Shirley Feher.

A COUNTRY ROAD

A country road is a lane to daydreams.
It wanders on in your imagination.
The dust, the hay, the tree, the streams
Are its only destination.

4-H CLUB . . .

(Continued from Page 39)

Among their many activities were safety displays in the South Broadway Hardware window and at the Fair, a candy sale, a picnic at the lake, a hike, a wiener roast, and a party and style review for the mothers. The group also donated twelve dollars to the 4-H Foundation Fund.

Charlotte Tarantina, health entrant from the club, placed second in the county. Mary Williams received an award for a clothing demonstration she gave at the fair and was a delegate to the Ohio 4-H Club Congress held at Ohio State University, Columbus, September 11-16.

With Mrs. Joseph Lucas as adviser, the STITCH, SNIP, AND RIP CLUB elected Mary Lou Kropf, president; Erma Phillips, vice president; Joanne Lucas, secretary-treasurer.

Their activities included a pot-luck supper, a skating party, and a bake sale to raise money for the Foundation Fund. For their community project they sent a bushel basket full of food to a needy family.

Five of the eight members in the club went to 4-H camp. The club held a style review and picnic for the mothers and members.

Their final standing was A's and B's and one C.

Joanne Lucas served on the Junior Fair Board and was the club's health contestant.

The NORTH CENTER RAMBLERS, an all-sewing club of nine members, was under the leadership of Mrs. Stowe and Mrs. Baker. The officers were Laura Baker, president; Agnes Gawlikowski, vice president; Carolyn Stowe, secretary; and Dorothy Booth, treasurer.

Their main money-making project was selling Christmas and everyday greeting cards. They had a picnic at the lake, a style review for the mothers, a valentine party, and they sent ten dollars into the 4-H Foundation Fund. Some of the members bought T shirts bearing the club's name.

THE WATERFALLS

The sound of water you can hear
far in the distance, a faint sound.
Yet that falling water must be near,
for beneath your feet there's a slight tremble in the ground.
The slowly moving water nears the falls, but then begins to whirl and speed,
for soon it will be running down a rocky wall
to the calm, clear waters of the reeds.

—Gayle Kaiser

THE BEACH

The wind is softly blowing across the sand.
Now and then a wave comes splashing in.
Some leaves are flipping up and down as if to fan the sand.
As the waves splash and fall,
You can hear the faint call of a sea gull.
There is the long narrow beach stretching out so far,
And now and then you can see the sand bar.

THE BEAUTIFUL TREE

Down the lane there is a picturesque tree.
It stands very proudly upon a hill.
Against the blue sky it is beautiful to see,
A deep green surrounded with yellow daffodils.

It does not lose its beauty even in cold weather,
When, with sparkling white snow all around,
It looks something like a warm, soft, feather.
And sometimes in warm weather its piney fragrance drifts down toward the ground.

HOT LUNCH PROGRAM . . .

(Continued from Page 42)

There were special occasions, too, which the cooks took in stride—holiday menus, emergencies resulting from injury and illness, and, January 16, fifty-four members of the County Council of the P. T. A. to be served in addition to the usual 350 students.

The women responsible for this fine record are Mrs. Wolcott, manager, Mrs. Phelps, Mrs. Penzenik, and Mrs. Gleason, with Mrs. Kerwin serving as clerk. Mrs. Beck was an active substitute, while Mrs. Zupancic was available when needed.

Students who have worked in the lunchroom during the past year are: Janet Silvestro, Barbara Kropf, Kay Friedel, Wanda Wolcott, Shirley Beck, Loretta Peters, Juanita Claypool, Bette Weintz, Deann Williams, Doris Cox, Mary Ann Recher, Amy Williams, Shirley Randles, Dorothy Booth, Carolyn Stowe, Joyce Taskinen, Joanne Eldridge, and Jessie Sloan.

In February the lunchroom and all the workers passed the state inspection with flying colors. This was the first 100 per cent scored by the lunchroom, for it had been impossible with the former heating equipment to get the water for the automatic dish-washer hot enough. However, a new water heater was installed by the Board of Education to correct this fault.

LAST WILL AND TESTAMENT . . .

We the Class of '51 "punt" our irrepressible spirit, our zest for life, to the Spencer student body, with the hope that they will "carry" them with greater discretion than we have sometimes shown. And to next year's seniors we "pass" our title of "Wheels."

I, Bill Carlin, will my crew haircut to Norman Morgan.

I, Jack Kerwin, leave my short walk to school to Jackie Blair.

I, Neal Crawford, leave my driving ability to Marilyn Polkow.

I, Adolph Tersigni, leave my athletic prowess to Richard Colucci.

I, Fred Inman, leave my caustic wit to Jean Ankrom.

I, Loretta Brazis, will my short school-week to Donna Inman.

I, Norma Phelps, leave my fondness for typing to Rad Cowger.

I, Roger Cook, leave my laugh to Arthur Kerns.

I, Mary Williams, leave my farming experience to Charlotte Tarantina.

I, Judy Sheppard, leave my weight to Bill Friedel.

I, Betty Jean Rudolph, will my job at the dime store to Doris Clutter.

I, Carole Klein, leave my dark hair to Betty Ann Cheney.

I, Beverly Lyon, leave my daintiness to Donna Kirkendall.

I, Margaret Hanneman, leave my "good times" to my sister Barbara.

I, Harry Percival, will my singing voice to Don Diglia.

I, Bill Kothe, will my quiet and patient ways to Marlene Glaab.

I, John Clarkson, will my jokes to Lenny Rose.

I, Bob Kozub, leave my intelligence to Delpha Sloan.

I, Lee Clutter, will my frustrations to Mary Lou Carraher.

I, David Brumagin, leave my kind heart to Diana Kozub.

I, Howard Wolcott, leave my smooth dancing technique to Dick Cheney.

I, Bob Berry, leave my love for mink to Mary Lois Stern.
